Search Tips

Searching using non-English languages does not require the use of diacritical marks (accent, dot, hyphen, tilde, umlaut, etc.):

- Sanchez Gaborino or Sánchez-Gaborino
- Über Profanierung or Über Profanierung

For author searches, type last name first and the first initial of the first name or the last name only:

- Wolfrum, R. or Wolfrum

When searching by journal title, drop the initial article (the, il, zie, etc.):

- Diritto di Autore not Il Diritto di Autore

Initial articles can be used in article title searches:

- La tutela del diritto di autore su Internet or Tutela del diritto di autore su Internet
