WHAT MAKES OUR EDITORIAL TEAM THE BEST

Specialized Subject Area Matching

A paper in Neurology will be edited by an editor who is an MD in Neurology, not by a specialist in Medical Sciences

"Two-Editor" System (100% Adherence)

Every manuscript is reviewed by two highly skilled editors to guarantee consistency and optimum quality

Make your own editorial team with Enago!

If you're happy with the editing of your paper, you can "like" the editor in our system. We'll assign future assignments to the same editor if they're available.

Service Guarantee

For any service you opt, you can count on us for expertise, accuracy, and care. Our stringent systems and processes, experienced editors, and certified quality management system help us in delivering this promise to our authors. We guarantee that all assignments will be delivered on time and with the best quality. On a rare occasion if rejection occurs due to any language issue, we will take full responsibility of re-editing the paper for resubmission at no additional cost.
